EDITORIAL COMMITTEE

Claire Ehmann, Caroline Sahley, Miles Toder, Robert G. Herman, Douglas Rutzen

We would also like to thank the many local NGOs who helped organize expert group discussions and draft reports in many of the countries.

Finally, we would like to express our deep gratitude to all the local NGO experts, USAID partners, and international donors who participated in the expert group discussions in each country. Their knowledge, perceptions, ideas, observations, and contributions are the foundation upon which this Index is based.
